

# THE SERIOUS TRAVELER™

TOUR LISTING FROM TRAVEL CONCEPTS INTERNATIONAL, INC. • FALL 2014

Hello Travel Friends,

I am often asked, *What's your favorite destination?*

Well, I can honestly say it is usually the last place I have visited! As of this week I'm just back from a wonderful autumn trip to Russia, coming in a full circle to where I started my business nearly 30 years ago. Appropriately, Russia has once again become one of those places that seems a bit politically forbidding, just as it was in Soviet days. I assure you though, there is absolutely no reason to put off a trip; the places we visit in Moscow, St Petersburg and Suzdal are dazzling and the countryside enchanting. Plus, you can learn a lot by seeing and talking with the people there—exponentially more than you can ever possibly get from the 24-hr. “news” channels. I invite you, once again, to see for yourself! We've had requests for the winter tour for years. The memory of a troika ride in the countryside will stay with you always!

Two other favorites of mine that defy the critics, are Iran and Bulgaria. We have five trips in 2015 to each of these countries guided by my devoted friends and much sought-after guides *par excellence*, Bahman and Lyuba. We have Serious Travelers going back for the 2nd and 3rd time to both of these mysterious, but highly rewarding countries.

So have a look. I hope you enjoy this little printed newsletter. It is the first we have had printed in a couple years. You'll find tours from South America, across Africa to Asia and beyond! And, most of our tours will be repeated the next year if these dates don't work for you. Let us know your preferences so we can keep you updated. A phone call, email or note by post will be warmly welcomed!

#### Why Travel With TCI?

We are not your typical tour company. We are different in the places we visit, the way in which we travel, and the people who join us! And we're proud of our differences!

#### Expert Guides

Our tours are led by hand-picked, local guides who are fun, friendly and knowledgeable. They meet you upon arrival and stay with you throughout. Our guides are also our close friends. As friends do, they share perspective from their part of the world.

As a preview, look for the itinerary on our website. If you need help in navigation, please call.

#### Personalized Attention

You are unique and not just a number to us. We are available to assist—before, during and after your tour. The greatest compliment we receive is that so many travel with us again and again. We happily provide references.

#### We Go All Over

Yes, we go to Europe, Asia, Africa, and the Americas. We also go to those much less visited places like Burma, Cuba and Iran - and when they open up again, Libya and Syria.

#### Cultural Visits

We include musical programs, cultural exchanges, performances, counterpart meetings, embassy visits, home visits, trips to schools and crafts centers, and private lectures by local experts.

#### Choose Your Air Arrangements

What's best for you is best for us. Use your mileage, secure your own tickets or let us help you find good discounted rates.
